Dear Customer:-

We told a grower for several years to drop this Caladium and that, and to increase his stock on others.

After several years' work, we have real rich-colored, choice, fancy leaf Caladium Bulbs.

We know that our customers (we hope you will be one of them) will be just as delirious about them when grown, as we are. Only \$11.00 per 100.

We have left just a few Giant Hybrid Amaryllis Bulbs, 2½ inches in diameter - every one a blooming bulb - at \$11.00 per hundred.
